Hey, I got a chainsaw buzzin'  
Who's that cussin'?  
Eyes start blinkin'  
The boys all start their wishin'

Left holdin' the bag again  
Burn it at both ends  
Don't believe she's a friend

Hey babe, thick 'n' thin  
Let it loose now  
Let it go wild to the wind, yeah

Got my clock tickin'  
I see the man start bitchin'  
I see the boys itch, itchin'  
Do girls ever know what they're missin'

It sounds like shit to me  
Last laugh of mine will be  
Yeah, I don't believe she is clean

Hey baby, thick 'n' thin  
Let's darlin' go, go, go on  
Thick 'n' thin, thick 'n' thin  
Let's go on to the wind

I got a chainsaw buzzin'  
C'mon, yeah, now who's that cussin'?  
Left holdin' the bag again  
Burn it at both ends, yeah yeah, yeah yeah

I heard the clock tock tickin'  
[Incomprehensible] her bitchin'  
But it sounds like shit to me  
Last laugh mine will be  
Don't believe she is clean

Baby, thick 'n' thin  
Let it loose, let it go  
Let it loose now to the wind  
[Incomprehensible] thick 'n' thin

[Incomprehensible]

Let it loose, let it go on to the wind, hey
