Wake me when the day break
Show me how the sun shine
Tell me about your heartache
Who could be so unkind

Do you dream to touch me
And smile down deep inside
Or could you just kill me, hey
It's hard to make up your mind, sometimes

My angels, my devils, a thorn in my pride
My angels, my devils, a thorn in my pride

Are you wanting inspiration
You spill your secrets on me
Then you tell me with a whisper
Of things that will never be

Do you hear me breathing
Does it make you want to screaming
Did you ever like a bad dream?
Hey, sometimes life is obscene

My angels, my devils, a thorn in my pride
My angels, my devils, they were thorn in my pride
My angels, my devils, a thorn in my pride

My angels, my devils, thorn in my pride

Lover cover me with your sleep
Let your love light shine, let it shine
Lover cover me with a good dream
Oh, let your love light, oh let your love light shine

Oh, I want to know, do you ever want to let it shine
Do you ever want to let it shine, baby
Your love light, your love light, listen

Lover cover me with your sleep
Let your love light shine, let it shine
Lover cover me with a dream
Let your love light shine, let it shine

Lover cover me with your sleep
Let your love light shine, let it shine

Angels, my devils, in the thorn in my pride
Angels they, devils they, a thorn in my pride
My angels, my devils, my thorn in my pride
Angels they, devils, they're a thorn in my pride
Pride, a thorn in my pride
