Looked up to the sky was fallen I knew not where I was.
Looked around to all the people the one's that had
turned to dust.
Sitting here with all my thoughts they were raped and
torn away.
Fighting through this world of sorrow so I can live
today.

Bridge:

Fallen from her grace led me to another place inside.
Of hell I dwell so long in pain li said goodbye.
(she died)
Fallen from her grace led me to another place inside.
Of hell i dwell for so fucking long

chorus:

Take my hand and show me the way
