HOW U FEEL

a heart is not a play thing
a heart is not a toy
but if you want it broken
you better give it to a boy
you never think it will happen to you
but when it does it hurts
they do it all the time cause they think its really cool
you come out of it bad and you feel like dirt
he was wrong for you
you know he was wrong for you
there is no point saying that you do
just be you

if you feel misunderstood
inlove or heart broken
your not alone girl
even when your sad and choken
if your angry or frustrated
u got your friends over rated
hunz you gotta learn to
tell us how you feel
