#### MISS INDEPENDANT

miss independant  
miss self sufficient  
miss keep your distance  
miss unafraid  
miss outta my way  
miss don't let a man interfere,no  
miss on her own  
miss almost grown  
miss never let a man help her off her throne  
so,by keeping her heart protected  
she'd never feel rejected  
little miss apprehensive  
i said oo,she fell in love

#### (CHORUS)

what is this feeling taking over  
thinking no one could open the door  
suprised this time to feel whats real  
what happened to miss independant  
no longer need to be defensive  
goodbye old you when love is true

miss guarded heart  
miss play it smart  
miss if you want to use that line you better not start,no  
but she miscalculated  
she didn't want to end up jaded  
and this miss decided not to miss out on true love  
so,by changing her misconceptions  
she went in a new direction  
and found inside she felt a connection  
she fell in love

#### (CHORUS)

what is this feeling taking over  
thinking no one coul open the door  
suprised this time to feel whats real  
what happened to miss independant  
no longer need to be defensive

goodbye old you when love is true

when miss independant walked away  
no time for love that came her way  
she looked in the mirror and thought today  
what happened to miss no longer afraid  
it took some time for her to see

how beautiful love could truly be  
no more talk of why cant that be me  
im so glad i finally see.....

(CHORUS)

what is this feeling taking over  
thinking no one could open the door  
suprised this time to feel whats real  
what happened to miss independant  
no longer need to be defensive  
goodbye old you when love is true
