TAINTED LOVE

sometimes i feel i gotta
run away i've gotta
get away
from the pain that you drive into the heart of me
the love we share
seems to go nowhere
and i've lost my light
for i toss and turn i can't sleep at night

once i ran to you (i ran)
now i'll run from you(ill run)
this tainted love you've given
i gave you all a girl could give you
take my tears and thats not nearly all
tainted love
oh... tainted love

now i know i've gotta
run away i've gotta
get away
you don't really want anymore from me
to make things right
you need someone to hold you tight
and you think love is to pray
but im sorry i don't pray that way

once i ran to you (i ran)
now i'll run from you (i'll run)
this tainted love you've given
i gave you all a girl could give you
take my tears and thats not nearly all
tainted love
oh.... tainted love

dont tough me please
i can't stand the way you tease
i love you though you hurt me so
so im gonna pack my things and go (things and go)
tainted love ohh..... tainted love

tainted love tainted love
touch me baby,tainted love
TAINTED LOVE
