Drawing me out to nowhere.
When is it going to end?
These eyes are melting.
I've lost another friend.
Don't you take it so hard now.
Don't you let them get down to you.
I'll be back once again now.
I'll be back once again i've found.
When am I comin' home?
When am I comin' home?
I said i do not know.
When am i comin' home?
(when am I) when am I comin' home?

Liquid sunshine dance upon my face again and again.
I lay on the ground and I look at the sky as the rain it
blesses these eyes.
Nothing is going to take me down not today.
Do for myself what has never been done for me when
am i coming home.
I don't mind.
I don't care.
Don't seem to give a shit.
To what the fuck's out there.
