Unloved and left  
Alone and lost  
With all the questions  
Never asked...

The little light  
Down in the hall  
A telephone  
But no one calls...

Since you've been gone  
There hasn't been anything  
Left of me...

This can't go on  
Don't hide like  
You're stranger...

You are the one  
You are my love  
Oh, how I need you baby...

You are the sun  
You are my love  
I know that I need you girl...

Every step that I take  
Everything I do  
I do it with love  
From me to you...

You are the one  
You are my love...

Without you here  
It feel so cold  
How I wish that you are near...

You took the love  
You even took  
Our little picture  
Of the wall...

But I still believe  
That is everything  
You I need...

I ask you please  
Don't hide like  
You're stranger...
