No, no, no, no
Don't phunk with my heart
Yeah
No, no, no, no
Don't phunk with my heart

I wonder if I take you home
Would you still be in love baby?
(Love, love, love, love)
In love baby

I wonder If I take you home
Would you still be in love baby?
(Love, love, love, love)
In love baby

Girl you know you got me, got me
With you're pistol shot me, shot me
And I'm here helplessly
In love and nothing can stop me

It can't stop me once I started
Can't return it once you bought it
I'm coming baby, don't doubt it
(Don't make me wait)
So let's be about it

No, no, no, no
Don't phunk with my heart

Baby, have some trustin', trustin'
When I come with lustin, lustin
'Cause I bring you that comfort
I ain't over here 'cause I want your
Body, I want your mind too

Interestin' what I find you
And I'm interested in the long haul
Come on girl, yee haw
Come on

I wonder if I take you home

Would you still be in love baby?
(Love, love, love, love)

I wonder if I take you home
Would you still be in love baby?
(Love, love, love, love)
In love baby

No, no, no, no
Don't phunk with my heart

Girl you had me once you kissed me
My love for you is not iffy
I always want you wit me
I play Bobby and you play Whitney
(And I, I)

If you smoke I smoke too
That's how much I'm in love wit chu
Crazy is what crazy do
Crazy in love, I'm a crazy fool

No, no, no, no
Don't phunk with my heart

Why you so insecure
When you got passion and you're love here
You always claim that I'm a cheata
Think I'll up and go leave ya

For another senorita
You forgot that I need ja
You must have caught amnesia
That's why you don't believe uh
Brotha', yeah, check it out

Don't ja worry about a thing, baby
'Cause ya know ya got me by a string, baby
Don't ja worry about a thing, baby
'Cause ya know ya got me by a string, baby

Baby girl ya make me feel
You know you make me feel so real
I love you more than sex appeal
'Cause ya

That that that that that that that there girl
That that that that that that that there girl
That that that that that that that there girl
That that that that that that that there girl
That that that that that that that there girl

That that that that that that that there girl

No, no, no, no
(That that that that that that that there girl)
Don't phunk with my heart
(That that that that that that that there girl)

I wonder if I take you home
Would you still be in love baby?
(Love, love, love, love)
In love baby

I wonder if I take you home
Would you still be in love baby?
(Love, love, love, love)
In love baby

I wonder if I take you home
Would you still be in love baby?
(Love, love, love, love)
In love baby

I wonder if I take you home
Would you still be in love baby?
(Love, love, love, love)

Don't ja worry about a thing, baby
'Cause ya know ya got me by a string, baby
Don't ja worry about a thing, baby
'Cause ya know ya got me by a string, baby
I love to phunk
