[Will.I.Am:]

I got so much love  
For you darlin' and I,  
I wanna let you know how I feel

And it's true that I love you  
And it's true your the only one and I do,  
I adore you  
And it's true girl

You make me feel alive I've I've I've [x4]

[Fergie:]

You said - you said - you said  
That I'm the only one  
You said that I'm your number 1  
Now your gone and I feel numb  
Tell me where do we go wrong  
You are my best friend and boyfriend  
Now it's seems like you're my worst friend  
I gotta do soul searching  
Without you I'm a whole different person  
I ain't acting like I used to  
I don't feel loved like I used to  
It was your love I was used to  
Why do I had to lo-lo-lo-lose  
Your love your love your love  
Your love is what it was  
That have me feeling {bust}  
{You are my true love}

[Will.I.Am:]

And it's true that I love you  
And it's true your the only one and I do  
I adore you  
And it's true girl

You make me feel alive I've I've I've [x4]

[Apl.De.Ap:]

Hey girl your the only one  
{Must} be my number one

Now your gone I feel so numb  
Tell me how do we go wrong  
First friends then we became best-friend  
You used to be my girlfriend  
Now your my worst friend  
Yeah I gotta do a lil soul searching  
Without you I'm a whole different person  
I don't even act like I used to  
I don't even feel loved like I used to  
I guess it's your love that I used to  
And I feel bad that I lose you  
I get so many things that I wanna sa-sa-sa-sa...  
I guess this mean that I'm missing you  
Sorry for the things that I did to you  
I'm so lost without you

[Will.I.Am:]

And it's true that I love you  
And it's true your the only one and I do,  
I adore you  
And it's true girl

U make me feel alive I've I've I've [x4]

[Fergie / Will.I.Am:]
