I feel like I wanna smack somebody
Turn around and, bitch, slap somebody
But I ain't goin' out bro
(No, no, no)
I ain't givin' into it
(No, no, no)

Anxieties bash my mind in
Terrorizing my soul like Bin Laden
But I ain't fallin' down, bro
(No, no, no)
I won't lose control, bro
(No, no, no)

Shackle and chained, my soul feels stained
I can't explain got an itch on my brain
Lately, my whole aim is to maintain
And regain control of my mainframe

My bloods boiling, it's beatin' out propane
My train of thoughts, more like a runaway train
I'm in a fast car, drivin' in a fast lane
In the rain and I'm might just hydroplane

I don't fear none of my enemies
And I don't fear bullets from oozies
I've been dealing with something that's worse than
these
That'll make you fall to your knees and that's the

The anxiety, the sane and the insane rivalry
Paranoias brought me to my knees
Lord, please, please, please
Take away my anxiety

The sane and the insane rivalry
Paranoias brought me to my knees
Lord, please, please, please
Take away my anxiety

My head keeps running away, my brother
The only thing making me stay, my brother

But I won't give into it, bro
(No, no, no)
Gotta get myself back now

God, I can't let my mind be, tell my enemy is my own

Gots to find my inner wealth, gots to hold up my
thoughts
I can't get caught
(No, no, no)
I can't give into it now
(No, no, no)

Emotions are trapped, set on lock
Got my brain stuck, goin' through the motions only I
know, what's up?
I'm filled up with pain, tryin' to gain my sanity
Everywhere I turn, it's a dead end in front of me

With nowhere to go, gotta shake this anxiety
Got me feelin' strange, paranoia took over me
And it's weighin' me down and I can't run any longer
Yo' knees to the ground

I don't fear none of my enemies
And I don't fear bullets from oozies
I've been dealing with something that's worse than
these
That'll make you fall to your knees and that's the
