Yea (woo)

Uh (woo)

Hey

This is the beat that make you shake your rump

That make your booty go ba-bump, ba-bump

It's that beat that make ya bump ya bump (ohh)

Yea, just do what you want

Up in the club just do what you want

Get into it baby, get off your stump

Girlies on the dance floor wiggle your fronts

We got rhymes that always triumph

This is the beat that make ya bump ya bump

Shake your rump rump shaky shake your rump

Its that beat that make ya bump ya bump

And only gettin' little booties little bit of hump (thanks)

And if you got boobies baby keep em all plump

And if you got blunts s-smoke em if you want

Got a 6 - 4 get pump it in your trunk

'cause we got biz that been boomin like? (ohh)

Yea nigga don't frunt

'cause this beat got you running just like gump

(run forest)

Bump ya bump

And if you got money fellas keep it like Trump

Fellas, huh

Whip out your money

and go get a Honey

and buy what she want

Take her to the ball and try to get her drunk

But if the girl's UGLY

Then get drunk

This that beat that make ya get crunk

It's that beat that make ya bump ya bump (ohh)
I'll give you what ya want

(Ye-eh-eh, Ye-eh-eh, Ye-eh-eh, Ye-eh-eh?)
B to the U to the M to the P
That's what we gave ya 'cause that's what you need
B to the E to the P make ya bump (ooh)
I'll give you what you want

I come with rhymes that are dangerous like stunts (yea)
Keep the girls screaming just like trumpets (yea)

Keep the hits from smashing like pumpkins
Get ya drunk like it's too, too much consumption (ohh)
Throw the assume, there's no room for assumption
We the crew that keep the funk just funk
The bump just ba-bump, ba-bump, ba-bumping (ohh)

We give ya what you want
Some that thing lil some one of
Just like your mamma nigga this beats Chunky
Look imma be real blunt
We punch up cops, no, we don't get punk'd
Never staged near the dragon, keep it on jump (ohh)
If you're askin' it's the year of the Monkey

So ba bump ba bump (ohh)

[Fergie]
Do what you want
(Up in the club just do what you want)
Give it to me baby, yea, get off your stump
Brothers on the floor just wiggle your front
'cause we got rhymes that always triumph, huh
Got blunts s-smoke em if you want
This that beat that make ya, you know the rest

[Will.i.am]
It's that beat that make ya bump ya bump (ohh)

[Fergie]
I'll give ya what you want, come on

[Will.i.am]
(Ye-eh-eh, Ye-eh-eh, Ye-eh-eh, Ye-eh-eh?)
B to the U to the M to the P
That's what we gave ya 'cause that's what you need
B to the E to the P make ya bump (ooh)

This is bumping, bumping, (oh) bumping, bumping
When it's bumping in your trunk, it takes over me

(This is bumping, bumping) and this is real (bumping,
bumping)
'cause I feel
the ba-bump bump ba-bump
This is bumping, bumping, (Oh) bumping, bumping
When the base ba-bumps, ba-bumps it takes over me
(This is bumping, bumping) you know I feel (bumping,
bumping)
so unreal
ba-da bump bump da-bump
