Muevele, muevele  
Muevele, muevele, muevele

Bailar, yo quiero baila la, la, la bailar  
Mueve las nalgas, shake your ass girl  
A la musica, we'll be dancing, dancing, dancing up in  
Havana  
And we gonna shake it, shake it, shake it, gonna shake  
it

Hips start shakin' and movin' all around  
Hips start shakin' and movin' all around  
Hips start shakin' and movin' all around  
Get them hips shakin' around

I like to dirty dance, I like to do my thang  
So mami get a little loose and make your hips swing  
It's like were making when I am dancing with you  
It's like you climax, mami when I dip you

So let's just dirty dance, yeah, let's salsa  
Let's do that on the floor and make it hot now, hot  
And mami move your culo to the Conga  
Sweat dripping down your body, is how I want ya

And muy caliente, is how you makin' me  
To paradise, mami, is where you taking me  
And all we really doing is moving our feet  
Dancing really close and creating some body heat

But I remain elegant, you say elegante  
That is so irrelevant, let's us keep on dancing 'cause  
look  
I speak English and you speak Spanish  
And music is the only thing that we be understanding

And I just wanna be dancing  
Dirty, dirty,dirty dancing  
I just wanna be dancing  
Dirty, dirty,dirty

Bailar, yo quiero baila la, la, la bailar

Mueve las nalgas, shake your ass girl  
A la musica and we'll be dancing, dancing, dancing up  
in Havana  
And we gonna shake it, shake it, shake it, gonna shake  
it

Hips start shakin' and movin' all around  
Hips start shakin' and movin' all around  
Hips start shakin' and movin' all around  
Get them hips shakin' around, I sing

Let's dirty dance right here on the floor, girl  
Let's do our thang, let's give them a show girl  
But I don't know, don't think their ready for this  
Let's give it to them, I hope their ready for this

You put your hands on my hips  
I put my hand on your hip  
Baby, I'll follow your lead  
Check it goes like this

Baby, just follow the motion  
Dancing a sexual motion  
Moving with so much emotion  
We gettin' dirty now

It's how we dance  
It's how we dance  
It's how we dance

Me and my girl dance with so much passion  
It looks like we having sex but we just dancing  
Dirty sex dancing with our clothes on  
If you are offended, bro, we mean no harm

That's how we dance  
That's how we dance  
That's how we dance  
That's how we dance

Yeah, yeah, just dirty dancing  
Hot, hot, just sexy dancing  
It's sexual, just dancing, yeah  
It's dirty, dirty dancing

I just wanna be dancing  
Dirty, dirty,dirty dancing  
I just wanna be dancing  
Dirty, dirty,dirty

Bailar, yo quiero baila la, la, la bailar, let's dance girl

Mueve las nalgas, shake your ass girl  
A la musica, we'll be dancing, dancing, dancing up in  
Havana  
Shake it, shake it, shake it, gonna shake it

Oh, movin' all around  
Oh, movin' all around  
Hips start shakin' and movin' all around  
Get the hips shakin' around
