La, la, la, la, la
La, la, la, la, la
Who, ooh
La, la, la, la, la
La, la, la, la, la

If the ladies in the disco club
Are freakin' in the disco club
And dancin' in the disco club
And shakin' in the disco club
Then take me to the disco club

Yeah, I try to party on out, step to the disco, can't work
it out
Let's go and get this party started now
Parties and gettin' naughty is what I'm all about

So many girlies in the house
With bangin' ass bodies and party ass mouths'
After the club we're going straight to my house
I got-ta-got-ta got to get you on my couch

I, rock steady, no doubt
You ask for a celeb so I had to turn you out
Don't give me drama, baby, baby, don't pout
I don't want a baby mamma, don't wanna spout

'Cause the ladies in the disco club
Are freakin' in the disco club
And dancin' in the disco club
And shakin' in the disco club
Then take me to the disco club

If the ladies in the disco club
Are freakin' in the disco club
And dancin' in the disco club
And shakin' in the disco club
Then take me to the disco club

I like the way that you move, don't hold back, baby, do
what you do
You make a nigger go, ooh, how the hell do women get

as fine as you?
I'm trying to holla at you, first time I seen ya, I was like
hallelu
Turn around, let me view ya, got-ta-got-ta got to damn,
I wanna do you

Baby, let's get into it, make moves like me and you was
intimate
Let's pretend that this beat is our heartbeat, bloom wit'
intimate
Sex with clothes on, dancin' on the dance floor gettin'
my blow, John
And I gotta Trojan, just in case we get it, get it going on
and

La, la, la, la, la
La, la, la, la, la
Who, ooh
La, la, la, la, la
La, la, la, la, la

If the ladies in the disco club
Are freakin' in the disco club
And dancin' in the disco club
And shakin' in the disco club
Then take me to the disco club

The ladies in the disco club ain't the ones to be falling
in love with
If you go to the disco club, protect yourself and don't
fall in love
The ladies in the disco club ain't the ones to be falling
in love with
The ladies in the disco club ain't the ones to be falling
in love with

Playa, listen yeah, I'm the missin', yeah, I go to club
and sip on Crystin'
That don't mean that I'm like the rest of dem tricks and
The party gettin' naughty, she's in money and dicks
and no

You got me all wrong, brother, no, I'm a women that's
strong, brother
Yeah, they ain't nothing wrong with a women in the club
Getting freaky to the song

Monday at the disco club, Tuesday at the disco club
Wednesday at the disco club, Thursday at the disco
club
Friday at the disco club, Saturday at the disco club

Sunday at the disco club, everyday's a disco club
See us at the disco club, see you at the disco club

We're going to break it on down
Rub it on your belly like an ultrasound
Shake it a like jelly and move around
Really want to see you flaunt your style
Get why, baby, get a little crazy
Don't hesitate, won't take no, maybe

Not like an eviction
But me and you, baby, it'll all cause a friction
As my eyes undress ya
Just wanna let you know there's no pressure
Body conversation they both want pleasure

But your girl Cock Block won't let cha, hmm
What cha going do now?
Bounce, rock, shake and we could wild out
It'll all fall like a river now
Check me, check me, check, check me on out

'Cause the ladies in the disco club
Are freakin' in the disco club
And dancin' in the disco club
And shakin' in the disco club
Then take me to the disco club

If the ladies in the disco club
Are freakin' in the disco club
And dancin' in the disco club
And shakin' in the disco club
Then take me to the disco club

La, la, la, la, la
La, la, la, la, la
Who, ooh
La, la, la, la, la
La, la, la, la, la

La, la, la, la, la
La, la, la, la, la
Who, ooh
La, la, la, la, la
La, la, la, la, la
