You know the music make me jump and prance
The BEP's we keep you rocking audience
Give them the music, make them jump and prance
Dum diddley dum dum diddley dum dum diddley
Dum dum diddley diddley

You know the music make me jump and prance
The BEP's we keep you rocking audience
Pass it, pass it, jump and prance
Dum diddley dum dum diddley dum dum diddley

Bring on the rhythm, bring on the drums
The Rim Shot's sound like someone gunned
Blup! Blup! There go your ear drum
So raise the volume to the maximum

Base booming bout to make your body feel numb
Pulsation probably penetrate your skeleton
This little diddley definitely demonstrates some
Dum diddley dum so dance to the drums

Don't hurt yourself, take it easy
There's no better time than right now
So let yourself go, o-eh-o
Watch yourself now, her comes the sound

Don't hurt yourself, take it easy
There's no better time than right now
So let yourself go, o-eh-o
Watch yourself now, her comes the sound

You know the music make me jump and prance
The BEP's we keep you rocking audience
Give them the music, make them jump and prance
Dum diddley dum dum diddley dum dum diddley

If you don't know my style then let me show you how

Don't hurt yourself, take it easy
There's no better time than right now
So let yourself go, o-eh-o
Watch yourself now, her comes the sound
