Na Na NaNa Na Na NaNa
Na Na NaNa Na Na NaNa

Sound selector activate your transistor
Transmitter audio wears through your system
Sub-sonic mega bolt base from the kickin'

Na Na NaNa Na Na NaNa

Ghetto blaster blastin' on your block
Pumpin out megahurtz (mega-megawatts)
You can get electric shock from my flow
Bitches on my dick (Oh No) They on my dildo
Do Re Mi Fa So La Ti Do
I get the money money, I get dough
EQ the equalizer for the stereo

Na Na NaNa Na Na NaNa

We the blast masters, the radiation
International coming to your nation
Feel the feel the feel the feel the vibration
We killin killin killin radio station

[Chorus]

Kill em with the sound kill, em kill em with the sound

[Apl.De.Ap]

Electric shock surgin' down your city
Higher... B.E.P comity
Transmitting sound got the girly's silly
Bouncin' around tryin' to show me tittys
Watch out now we about to blow big...
Energy got the whole system overload
Got the... got the eardrums about to explode
Extra, extra... powerful
Blow your mind it's the incredible
Apl.De.Ap the original
I'm the thriller of Manila in the Filipino

[Chorus]

Kill em with the sound, kill em kill em with the sound
Hit em with the frequency
Shoot em with the base shoot, shoot em with the base
Super mega frequency
Kick em with the drum, kick em kick em with the drum
Get em with the melody
Beat em with the beat, beat em beat em with the beat
Super mega frequency

In the Electric City, Electric City
Electric City, Electric City

Kill em
