Watch me
(Fallin' up)
Watch me
(Fallin' up)
Watch me
(Fallin' up high)
Watch me

Focus on this the introductionist
Or a lyricist in this rap metropolis
More like an activist
We give it to you all

Presentation we'll make you have a ball
Styles start conceiving causing you to meditate
Manipulate the mind with hypnotic modern state
We far from the fakes

We never fake moves
But jealous mothafuckas since the justice approves
(And talk shit)
And who the hell he be havin' a fit
Yo, he ain't got shit

That's why he's in Crips and I indelirize bodily rips
Skiznits of nonsense nothing less than Bullshit
(West Side)
And who can hang with the all around remainders

A real entertainer
We 'bout to open up the whole true hip hop
Explore non-stop
Entertain ya till we drop

We be fallin' up
(Up)
Never fallin' down
(Down)

We keep it at a higher level elevating now
(Put it in your)
In your area, town

(City or your)
Black Eyed Peas is known for gettin' down

We be fallin' up
(Up)
Never fallin' down
(Down)

We keep it at a higher level elevating now
(Put it in your)
In your area, town
(City or your)
Black Eyed Peas is known for gettin' down

Flip the four steps it takes to be great
There's no remorse for a fake we must break
Time a rap source subdue what we make
Your collapse is all the floor can take

Witness the peas as we innovate
We'll extrodanite, expose, instillate
Patterning pioneers take foes by their trait
Apple in tact is the time we must take

When we make agreements theres no escape
Form it, hate it, love it, rate it as great
God gave us talent, we show how that we create
Enough of being deep it's time to motivate

We be fallin' up
(Up)
Never fallin' down
(Down)

We keep it at a higher level elevating now
(Put it in your)
In your area, town
(City or your)
Black Eyed Peas is known for gettin' down
Watch me, watch me

I see you try to diss our function by stating that we can't
rap
Is it 'cause we don't wear Tommy Hilfiger or Baseball
Caps
We don't use dollars to represent
We just use our inner sense and talent

If you try to diss the peas you'll get handled by apple
heavy
(Guy in back growling like a lion)

Alligator, a numernumer creator
Black Eyed Peas be more than a playa

Don't gotta represent no set just so I could get some
respect
Ga, ga, ga, ga, ga, ga cool
A lot of feelings so I can get through
Because the way that you did it I think that you done
Corupted the whole hip-hop sound so now I gotta follow
up

We be fallin' up
(Up)
Never fallin' down
(Down)

We keep it at a higher level elevating now
(Put it in your)
In your area, town
(City or your)
Black Eyed Peas is known for gettin' down
