Hey doctor is something wrong with me?
Am I crazy do I need a remedy?
I'm a club rocker that's my personality.
It's in fashion to be bla-blasting them beats.
And I like to go out every night.
I like to go out every night.
I like to go out every night.
I like to go out, ey.

Dance, dance to the beats, beats, beats (to the beat)
Dance, dance to the beats, beats, beats (to the beat)
Dance, dance to the beats, beats, beats (to the beat)
Rock, rock to the beats, beats, beats (to the beat)

Get ready for the night-woah!
Party people just keep on rockin.
