Black Eyed Peas
"Fergie - Finally"

Ever since I was a baby girl I had a dream

Cinderella theme

Crazy as it seems

Always knew that deep inside that there would come that

day

But I would have to wait

make so many mistakes

I couldn't comprehend

as I watched it unfold

This classic story told I left it in the cold

Walking through unopened doors that led me back to you

Each one unlocking more of the truth

I finally stopped tripping on my youth

I finally got lost inside of you

I finally know I needed to grow

And finally my mate has met my soul

Finally

Now my destiny can begin

Though we will have our differences

Something strange and new is happening

Finally

Now my life doesn't seem so bad

Its the best that I've ever had

Give my love to him finally

I remember the beginning you already knew

I acted like a fool

Just trying to be cool

Fronting like it didn't matter

I just ran away

On another face

Was lost in my own space

Found what its like to hurt selfishly

was scared to give of me

Afraid to just believe

I was in a jealous, insecure, pathetic place

Stumbled through the nets that I have made

Finally got out of my own way

I've Finally started living for today

I finally know I needed to grow

And finally my mate has met my soul

Finally

Now my destiny can begin

Though we will have our differences

Something strange and new is happening

Finally

Now my life doesn't seem so bad

Its the best that I've ever had

Gave my love to him Finally

Finally, Finally

Finally

Now my destiny can begin

Though we will have our differences

Something beautiful is happening, is happening

Finally

Now my life doesn't seem so bad

Its the best that I've ever had

Give my love to him finally

ohhhhhhh, Finally, Finally,

Finally
