Go Go  
Black eyed peas

Party people, party people  
Are you get funky ?

Party people let's have a good time  
Let's keep it bumpin'  
Come come get funky  
Let's keep it movin'  
Let's make it happen  
Come come get funky  
(down)

[Verse 1:]  
Alright we about to set it of now  
You know the Black Eyed Peas be comin with pile  
before  
Bout to have you let it all out  
The hypnotical rhythm keep you bouncin ?

OK I see a lotta people around  
Today we gonna show you how we get down  
C'mon pull out the radio for the sound  
In time we be waitin for shakin around  
The ground

The ground definitely will get shooked  
And the roof it's gonna catch a fire cause what  
We burn, we burn this ish straight to the floor  
We doin it, till you be like "don't do it no more"

It's fo real plus everybody is dressed up to kill  
I see a lotta ladies and ? ill  
Yo Will (what?)  
Get the mic and preform (ok)  
Everybody's been waitin for the Peas to get on

Party people let's have a good time  
Let's keep it bumpin'  
Come come get funky

Let's keep it movin'  
Let's make it happen  
Come come get funky  
(down)

[Bridge:]  
Swirpin suit our dream  
(why don't you freak ?)  
Let your body speak  
Socialize (get down)  
Let your sooooul lead the way (brake it down)  
Go ladies (it's a living thing)  
Look like this (ok)  
Now that you up and free  
Do what you feel  
Just rock

[Verse 2:]  
We about to run through you block  
?Wishin? out the Peas so you know that we hot  
Thats what the Selenas will say  
They askin if the Jimmy can come out and play-play

My brother let's colaborate strong  
So everything we have will last long  
Before  
I builded this to make it bu-bump bu-bump  
We makin radios speak upon

We bump  
Frequency that blow out your trunk and  
You wantin some more of this somethin  
You ain't gettin nothin till you shake your bump and  
Go go get funky, start jumpin

It's the Black Eyed Peas will bring the action  
Everlastin satisfaction  
Radio activ high reaction  
Just done ? ?? ??

Party people let's have a good time  
Let's keep it bumpin'  
Come come get funky
