Taboo:

Ladies and Gentlemen,
You're about to witness
Something you never seen before
If you ain't got it, you gotta get it
Ayo, Ryan... Let's go

Ryan Key:

Gotta get it now, gotta get it now
Gotta get it now, I'm gonna take you down
What you waiting for?
What you waiting for?
What you waiting for?
Try and stop me now

Taboo:

Drop it, drop it, rock it
Tryna make it ain't no stopping
This is how, this is how I rock when I roll
This is how I rock when I rock my show
Don't stop, get it, get it
Let me put some feeling in it
Movin' up the charts so fast
You could put that speed ahead
Drop this, drop that
No time to turn back
Keep movin on you can't stop that
What the hell are you waitin for
You asked for it so I gave you more
Whatcha gotta say Ryan? (get it now)
Imma keep on shining
Bounce to the rhythm of the bass keeps runnin
The bass keeps runnin, and I keep runnin

Ryan Key:

You can't stop me it's now or never
I'll keep running on forever
You can't stop me cuz it gets faster
I'll keep fighting for what I'm after

Gotta get it now, gotta get it now
Gotta get it now, I'm gonna take you down

What you waiting for?
What you waiting for?
What you waiting for?
Try and stop me now

Oh oohoh, Oh oohoh, Oh oohoh, Oh oohoh
Oh oohoh, Oh oohoh, Oh oohoh, Oh oohoh

Taboo:

(Pick it up, pick it up... let's go)
I'm a modern day Robin Hood
I take from the bad
And I give to the good
Look out for a family
You know these can't handle me
Senoritas, (yeah)... and models (yeah)
This is how it's supposed to be
Easy just like 1, 2, 3
And none of y'all can come close to me
Cuz I'm on top where I'm 'posed to be
T-A-B- the double 'O' that's me
Straight from a group called B-E-P
That's Black Eyed Peas, down with speed
Watch to the T- to the O-N-Z
Now would never gettin chased
So don't ever think about stoppin me

Ryan:

You can't stop me it's now or never
I'll keep running on forever
You can't stop me cuz it gets faster
I'll keep fighting for what I'm after

Gotta get it now, gotta get it now
Gotta get it now, I'm gonna take you down
What you waiting for?
What you waiting for?
What you waiting for?
Try and stop me now

Gotta get it now, gotta get it now
Gotta get it now, I'm gonna take you down
What you waiting for?
What you waiting for?
What you waiting for?
Try and stop me now

Oh oohoh, Oh oohoh, Oh oohoh, Oh oohoh
Oh oohoh, Oh oohoh, Oh oohoh, Oh oohoh

Taboo:

That's right y'all
Kyle Magnetic, Black Eyed Peas
We got a collabo'
My man, Ryan (what you waiting for?)
Yellowcard ya'll (what you waiting for?... try and stop
me now)

Woman:
Come on Sweetie... Let's go...

(Cheering)
... Everybody loves speed...
