Yeah yeah

Check this out darlin', I got something to say
We could shovel love like all day
Instead of all this loneliness that needs to stop
I love ya down and put the hip into ya hop

You make it hard to put my egg inside ya roll
Lovin' you is like to say she took my soul
I'll break it down and let ya take total control
I'm feelin' you darlin', can't you see like total?

And I'm not tryin' to rush like I'm Russel Simmons
'Cuz baby I can't stand the rain like Michael Bivens
I'm serious but you be thinking that I'm kiddin'
I'm here for you unlike wives for your children

I'll embrace them like it was one of my own
Plus she raised 'em all alone, that I condone
But, all, this loneliness need to stop
I love ya down and put that hip into ya hop

Sugah sugah sugah, I really want ya
Baby baby baby, I really need ya
Looky looky looky, I got ta have, have
If I want it, want it, let me get it, get it

Sugah sugah sugah, I really want ya
Baby baby baby, I really need ya
Looky looky looky, I got ta have, have
If I want it, want it, let me get it, get it

Hey baby girl, I want your loving every day
'Cuz you be hittin' in a special type of way
I guess your aura got me actin' for the push
It ain't the lust I got the pal on the rush

And when you smile at me you got me goin' crazy
You got me up on sugar inside my soul

I'll be the cup that you could pour in all your love
I won't spill it in a minute that you shove

Instead I will withstand the pain
Understand you is the main goal to aim
If you really need me just call my name
I'm hear all the time for you babe

I'm your love you my woman I'm your man right?
I'm your world you my woman I'm your man right?
No matter the problem we stay damn tight
I'm your love you my woman I'm your man right?

Sugah sugah sugah, I really want ya
Baby baby baby, I really need ya
Looky looky looky, I got ta have, have
If I want it, want it, let me get it, get it

Sugah sugah sugah, I really want ya
Baby baby baby, I really need ya
Looky looky looky, I got ta have, have
If I want it, want it, let me get it, get it

Sugah sugah sugah, I really want ya
Baby baby baby, I really need ya
Looky looky looky, I got ta have, have
If I want it, want it, let me get it, get it

I'm your love you my woman I'm your man right?
I'm your world you my woman I'm your man right?
No matter the problem we stay damn tight
I'm your love you my woman I'm your man right?

And if I could I'd give my girl the world
A world without a war could unfurl
Our love could stand the testament of time
Till death do us part is that line

I could be with her till my son is 99
The love I feel for her is unbearably unique
Being away from her, yo it makes me kinda weak
It's like being on the desert with nothin' to drink

I'm your love you my woman I'm your man right?
I'm your world you my woman I'm your man right?
I'm your love you my woman I'm your man right?

Sugah sugah sugah, I really want ya
Baby baby baby, I really need ya
Looky looky looky, I got ta have, have
If I want it, want it, let me get it, get it

Sugah sugah sugah, I really want ya
Baby baby baby, I really need ya
Looky looky looky, I got ta have, have
If I want it, want it, let me get it, get it

Sugah sugah sugah, I really want ya
Baby baby baby, I really need ya
Looky looky looky, I got ta have, have
If I want it, want it, let me get it, get it

Sugah sugah sugah
Baby baby baby
Looky looky looky
If I want it, want it, let me get it, get it

Sugah sugah sugah

(Sugah sugah sugah)
I'm your love you my woman I'm your man right?
I'm your world you my woman I'm your man right?
(Sugah sugah sugah)
I'm your love you my woman I'm your man right?
