Yeah, yeah
Watch out

Ain't no runnin' from Karma
Ain't no runnin'
Ain't no runnin' from Karma
Ain't no runnin'

Ain't no runnin' from Karma
Ain't no runnin'
Ain't no runnin' from Karma
Ain't no runnin'

I'm the caboose of the wrong doings you produce
The wild tail of the tornado runnin' loose
You tie the noose, I kick the chair
I'm the cyanide that snatch your life while you gasp for
air

The echo of the 'Fuck you' that boomerangs to hurt
your loved ones
The thief that took your son, held by ransom
The pervert that raped your wife
The hand that held the knife that took your life

You shot Tupac an' Biggie
Now I'm comin' after you like V W X Y Z
This is cause an' effect, the domino effect
The 'What goes up, must come down' effect

You hopin' though
That you had a hand in doin' the doin'
The conclusion of the evil
That you ended an' start pursuin'

'Coz ain't no runnin' from Karma
Ain't no runnin'
Ain't no runnin' from Karma
Ain't no runnin'

Ain't no runnin' from Karma
Ain't no runnin'

Ain't no runnin' from Karma
Ain't no runnin'

This is the payback from the past
You threw me down like I was just a piece of trash
You gave me cash every week just enough to live
But didn't get what I deserved instead I was deceived

Still young an' didn't know about this in the streets
How they act so crass an' shady?
Don't crush your dream show an' your whole entity
Subliminally, you're on the hire from a slavery

Remember that, "What goes around, comes around"
God is watchin' you an' everythin' that you do
Do you remember everythin' that you did before
The way the bad action opens comic door

I'ma leave it up to God what He got for you
I'ma leave it up to Him what He got for me
An' He's watchin' you

Yeah, yeah
Watch out

Ain't no runnin' from Karma
Ain't no runnin'
Ain't no runnin' from Karma
Ain't no runnin'

Ain't no runnin' from Karma
Ain't no runnin'
Ain't no runnin' from Karma
Ain't no runnin'

One way or another, it's gonna find ya
It's gonna get ya, get ya, get ya, get ya

Ain't no runnin' from Karma
Ain't no runnin'
Ain't no runnin' from Karma
Ain't no runnin'

Yeah, yeah

Can't run away, no, no, no, no
