When I stepped in the room, I bring the heat like the
month of June
Crank the volume, make the bass go boom
Wile out like we some wild baboons
We go bananas to the toon
I wanna throw bows, gimme elbow room
When I'm out my cacoon, I'm ready to consume
Let's hit the saloon 'cuz

It's a holiday, pardon me as I celebrate
And that's the way we do it, we get a lil loopy of the
ignorant fluid
And act a lil stupid, just in case you didn't know it
That's how we do it, don't ask why we do it
That's just the way it be lovin', double D's up in the AD
When I party in Hollywood VIP, I don't understand that's
TLE 'cuz

We party forever an' get down together, we don't stop
an' we don't quick
Let's get it goin' 'cuz we know we gon celebrate 'cuz it's
a holiday
I don't work today or the next 3 days, so let's celebrate
'Cuz it's a holiday, I don't work today, now pardon me
as I celebrate

It's time to celebrate serving up beat box on a hot plate
like that y'all
We on a festive date, make it go ape an' raise ur heart
rate
We gon stay out late, party till the morning an' wake up
late
We do it till the day break, we go on n on n then on n on
n

Dance to my rhyme, I can holla acapelas deaf till ya
blind
You're mine baby, take ya to the moon for your behind
baby
Take us to the moon n just recline baby, got me back,
so I'm now baby
We don't stop, girl we don't quit, nope we don't quit,

nope we dont quit

We party forever n get down together, we don't stop n
we don't quick
Let's get it goin' 'cuz we know we gon celebrate 'cuz it's
a holiday
I don't work today or the next 3 days, so let's celebrate
'Cuz it's a holiday, I don't work today, now pardon me
as I celebrate

Don't stop it just push it, don't stop it just push it
Move yo body 'n' push it, get naughty 'n' push it
We gon party 'n' push it, we gon party 'n' push it
Move yo body 'n' push it, get naughty 'n' push it 'cuz
It's a holiday, pardon me as I celebrate

It's time to get wasted n scope the whole place
With girls with cute faces
'Cuz I see some fly mommas, so pack your pajamas
But don't bring the drama
But u can bring ur melody, I plug in my mic n sing my
harmonies
For how many times we gonna hit it
How many times we gonna split it, how many times ur
gonna get it

Or else u r gonna, wanna come so far, ur gonna have
to water
'Cuz I'm the alligator champ, drivin' the train, drivin' the
train
Or u can bring a friend n switch my lane
An' get buddy buddy with ur friend Mary Jane
She really blows my brain, she really blows my brain

We party forever n get down together, we don't stop n
we don't quick
Let's get it goin' 'cuz we know we gon celebrate 'cuz it's
a holiday
I don't work today, let's celebrate
'Cuz it's a holiday I don't work today, now pardon me as
I celebrate
