[Fergie]

Let's get it started in here

[Apl.De.Ap]

And the bass keeps running, running

And running, running

[will.i.am and Fergie]

And running, running

And running, running

And running, running

And running, running

And running, running

And running, running

And-

[Will.I.Am]

In this context there's no disrespect

So when I bust my rhyme you break your necks

We got 5 minutes for us to disconnect

From all intellect and the let rhythm effect

To lose the inhibition, follow your intuition

Free your inner soul and break away from tradition

Cause when we beat out, girl it's pulling without

You wouldn't believe how we wil' shit out!

Burn it til it's burned out

Turn it til it's turned out

Actin' up from north ,west, east, south

Everybody! (Yeah?)

Everybody! (Yeah?)

Let's get into it! (Yeah!)

Get stupid(Come on!)

Get it started! (Come on!)

Get it started! (Yeah!)

Get it started!

Let's get it started ha!

Let's get it started in here!

Let's get it started ha!

Let's get it started in here!
Let's get it started ha!
Let's get it started in here!
Let's get it started ha!
Let's get it started in here!
Yea

[Taboo]
Lose control of body and soul
Don't move too fast people just take it slow
Don't get ahead
Just jump into it
Y'all hear about it the Peas'll do it

Get started
Get stupid
Don't worry about it people we'll walk you through it
Step by step like an infant, new kid
Inch by inch with a new solution
Transmit hits with no delusion
The feeling's irresistible and that's how we move it

Everybody! (Yeah?)
Everybody! (Yeah?)
Let's get into it! (Yeah!)
Get stoned (Come on!)
Get it started! (Come on!)
Get it started! (Yeah!)
Get it started!
Hey! Hey! Hey!
Let's get it started ha!
Let's get it started in here!
Let's get it started ha!
Let's get it started in here!
Let's get it started ha!
Let's get it started in here!
Let's get it started ha!
Let's get it started in here!

It keeps running, running
and running, running
Come on y'all
Let's get cuckoo
Uh-huh, let's get cuckoo
(In here.) Eh eh
Why not get cuckoo
Uh-huh, let's get cuckoo
(In here.)
Why not get cuckoo
Uh-huh, let's get cuckoo
(In here.)

Oh, oh, oh
Ya ya ya ya

ya ya ya Ya

[Apl.De.Ap]

Let's get ill that's the deal
Out the gate, we will bring a punked Eye thrill (Just)
Lose your mind this is the time
Y'all can't sit still just to bang your spine (Just)
Bob your head, like me, Apl.De
Up inside your club or in your Bentley
Get messy
Loud and sick
Your mind past normal on another head trip
So, come dumb now do not correct it
Let's get ignorant
Let's get hectic

Everybody! (Yeah?)
Everybody! (Yeah?)
Let's get into it! (Yeah!)
Get stoned (Come on!)
Get it started! (Come on!)
Get it started! (Yeah!)
Get it started!

Let's get it started ha!
Let's get it started in here!
Let's get it started ha!
Let's get it started in here!
Let's get it started ha! (Vocailizing)
Let's get it started in here!

(Vocalizing)
It keeps running, running
and running, running
Come on y'all

Uh-huh, let's get cool, cool
