And the bass keeps Runnin runnin and runnin runnin
And runnin runnin and runnin runnin
And runnin runnin and runnin runnin
And runnin runnin and runnin runnin and

In this context, there's no disrespect
So when I bust my rhyme
You break yo necks
We got 5 minutes for this to disconnect
From all intellect and let the rhythm effect

Apt to lose this inhibition
Follow your intuition
Free your inner soul
And break away from tradition

Cus when we be out
Girl it's gunna be that
You wouldn't believe how
Wow s**t out
Burnin till it's burned out
Turn it till it's turned out
Act up from north, west, east, south

Everybody, (yeah) everybody, (yeah) lets get into it,
(yeah) get STOOPID
(Come on)Get retarded, (come on)get retarded, (yeah)
get retarded

Lets get retarded in hah, lets get retarded in here
Lets get retarded in hah, lets get retarded in here
Lets get retarded in hah, lets get retarded in here
Lets get retarded in hah, lets get retarded in here

Lose control, all body, all soul
Don't move to fast, people just take it slow
Don't get ahead, just jump into it
Y'all hit a body, the Peas'll do it

Get started, get stupid
Don't worry bout it people we'll walk you through it
Step by step, like if you're in for new kid

Inch by inch, with the new solution
Transmit hits, with no delusion
The feelings irresistible and that's how we move it

C'mon

Everybody, (yeah) everybody, (yeah) lets get into it,
(yeah) and get STOOPID
(Come on) Get retarded, (come on) get retarded,
(yeah) get retarded

Lets get retarded in hah, lets get retarded in here
Lets get retarded in hah, lets get retarded in here
Lets get retarded in hah, lets get retarded in here
Lets get retarded in hah, lets get retarded in here

Up inside your club, or in your Bentley
