I love you love, but I'm thinkin' 'bout leavin'  
So far you treated me so bad  
I love you love, but I'm thinkin' 'bout leavin'  
So far you treated me so bad

I call my baby to tell her I'm on my way  
Call her 'til I pass we goin' out today  
It was a beautiful Sunday  
I had plans on goin' to watchin' the matinee

But as soon as I step to the door  
She hit me with some stuff that I just couldn't ignore  
That she had to up and leave  
'Cause I was a fool foolin' her on what she need

Check it, yo from my point of view it was kinda whack  
She said even when we're reminiscin' there's no  
bringin' it back  
And for her, it's really beyond that  
Talkin' about she been through emotional combat

All the years that I been back  
You were never around  
And now, love won't wait  
(It's like that now, oh, it's like that now)

Let's stop all my love to you  
Baby, I'm through with you  
'Cause now, love won't wait  
(It's like that now, oh, it's like that now)

I love you love, but I'm thinkin' 'bout leavin'  
So far you treated me so bad  
I love you love, but I'm thinkin' 'bout leavin'  
So far you treated me so bad

Yo, Will, that's kinda whack, I know how you be feelin'  
My girl's also trippin' about the same reason  
'Cause we out for two seasons on the road makin' G's  
And I figured it out these women there's no pleasin'

Yo, Will, I feel the pain, that you're goin' through

She got you stuck on a yam and she's splattin' too  
Plottin' on leavin' you, yo, are you feelin' cool  
And if you're not you can always hang with the crew

All the years that I been back  
You were never around  
And now, love won't wait  
(It's like that now, oh, it's like that now)

Let's stop all my love to you  
Baby, I'm through with you  
'Cause now, love won't wait  
(It's like that now, oh, it's like that now)

I call my baby to tell her I'm on my way  
Call her 'til I pass we goin' out today  
It was a beautiful Sunday  
I had plans on goin' to watchin' the matinee

And she dissed you, up and left you  
Packed her bags and went and upset  
She was like, "I'm leavin'"  
(Oh, it's like that, now)  
"I'm leavin'"  
(She was always like that)

Check it, but from my point of view it was kinda whack  
She said even when we're reminiscin' there's no  
bringin' it back  
And for her, it's really beyond that  
Talkin', about she been through emotional combat

All the years that I been back  
You were never around  
And now, love won't wait  
(It's like that now, oh, it's like that now)

Let's stop all my love to you  
Baby, I'm through with you  
'Cause now, love won't wait  
(It's like that now, oh, it's like that now)

I love you love, but I'm thinkin' 'bout leavin'  
So far you treated me so bad  
I love you love, but I'm thinkin' 'bout leavin'  
So far you treated me so bad

I love you love, but I'm thinkin' 'bout leavin'  
So far you treated me so bad  
I love you love, but I'm thinkin' 'bout leavin'  
So far you treated me so bad

I love you love, but I'm thinkin' 'bout
