mas que nada  
black eyed peas came to make it hotter  
we beat the party starters  
bubblin up just like lava  
like lava heated like a sauna  
penetrating thru your body armor  
rhythmically we massage ya  
with hip hop mixed up with samba  
with samba so yes yes y'all  
you know we never stop  
we never rest y'all  
the black eyed peas are keeping it funky fresh y'all  
and we wont stop until we get y'all, til we get y'all sayin'

peter piper picked peppers but Tab rocked ryhmes  
1,2,3,4, several times  
heavy rotation played by every kind  
radio stations blastin' every mind  
we crossing boundaries like everyday  
to rock ya robbie bobbie beamer on the bay  
we got we got tab magnification tab magnified  
like every day

so yes yes y'all  
you know we never stop we never rest y'all y'all  
the black eyed peas will keep it funky fresh y'all  
and we wont stop until we get y'all, til we get y'all sayin'

drop hot hot be my daily operation

got to put it work in this crazy occupation  
gotta keep it movin' that's the motivation  
gotta ride the waves and keep a tight relation  
with my team keeping moving and doing it right  
i've been in a lab every day til daylight  
that's the way things move in this monkey business  
we took a old samba song and remixed it

Mas que nada  
Sai da minha frente  
Eu quero passar  
Pois o samba esta animado  
O que eu quero e sambar  
Este samba  
Que e misto de maracatu  
E samba de preto velho  
Samba de preto tu

mas que nada, we gonna make you feel lil hotter  
the peas and Sergio Mendes heating up sambaaaa  
bada, bada, bada, baaaaaa  
sergio play your piano sergio play your yo yo yo yo  
piano (echoing)
