I can't go any further than this
I want you so badly, it's my biggest wish

Cool,
I spent my time just thinkin' thinkin' thinkin' bout you
Every single day, 'cause I'm really missin' missin' you
And all those things we use to, use to, use to, use to do
Hey girl, what's up, we used to used to be just me and
you
I spent my time just thinkin' thinkin' thinkin' bout you
Every single day, 'cause I'm really missin' missin' you
And all those things we use to, use to, use to, use to do
Hey girl what's up yo... what's up, what's up, what's up

Can you meet me halfway, right at the borderline
That's where I'm gonna wait, for you
I'll be lookin' out, night n'day
Took my heart to the limit, and this is where I'll stay
Oh oh oh oh oh
I can't go any further than this
Oh oh oh oh oh
I want you so bad it's my only wish

Girl, I travel round the world and even sail the seven
seas
Across the universe I'll go to other galaxies
Just tell me where to go, just tell me where you wanna
meet
I navigate myself myself to take me where you be
Cause girl I want I, I... I want you right now
I travel uptown (town) I travel downtown
Wanna have you around (round) like every single day
I love you always, way
(I'll meet you halfway)

Can you meet me half way)
Right at the borderline
That's where I'm gonna wait, for you
I'll be lookin' out, night n'day
Took my heart to the limit, and this is where I'll stay
I can't go any further than this
I want you so bad it's my only wish

I can't go any further than this
I want you so bad it's my only wish

Let's walk the bridge, to the other side
Just you and I (just you and I)
I will fly, fly the skies, for you and I (for you and I)
I will try, until I die, for you and I, for you and I, for for
for you and I,
For for for you and I, for for you and I, for you and I

Can you meet me half way
Can you meet me half way
Can you meet me half way
Can you meet me half waaaay!

Meet me half way, right at the borderline
There's where I'm gonna wait, for you
I'll be lookin' out, night n'day
Took my heart to the limit, and this is where I'll stay
I can't go any further than this
I want you so bad it's my only wish
I can't go any further than this
I want you so bad it's my only wish

(Instrumental)...
