We are the now generation  
I want I want I want it now  
I want the cold hard cash  
I want I want I want it now

And I just can't wait  
I need it immediately  
And I just can't wait  
I want it immediately  
Cause time can't wait and  
I sure can't wait  
I ain't got no patience

I sure can't wait

We are the now generation  
We are the generation now  
This is the now generation  
This is the generation now  
I want money  
I want cold hard cash  
I'll take your dollar and your euro  
And you'll have a blast  
So take your day and your credit  
And stick it up your ass  
And do it now!

I want it now!  
Big money, give me mo' money  
(Yeah I want it now! )  
I need cas... oh I need it bad  
(I want it now! )  
Quick in a hurry  
Like your name is Flash  
(I want it now! )  
You make me wait?  
And I'm'a whip your ass  
(I want it now! )  
I want it now baby!  
(Now! )

I want it  
(Now! )  
Now!

Fast, rapido  
Really quick like torpedo  
Need for speed is my credo  
You need to feed this negrito  
Sender, buyer, brother boat  
Rapid like a thunder bolt  
Activated rock the boat  
Just ask Barack who brought the hope to  
Now!

It was a now generation  
And I just can't wait  
I need it immediately  
And I just can't wait  
I want it immediately  
Cause if time can't wait then  
I sure can't wait  
I ain't got no patience

No I just can't wait  
Not again  
Expedite  
No time for procrastination  
Expedite  
Improve my sensation
