Hey DJ

Hey DJ

(On the request line girl, girl)

Play your record by my favorite band

I like to hear my favorite song on the radio

So I called and requested on the radio

Tell the DJ spin it on the mix show

Make a brother feel like I'm down at the disco

And we gonna keep it going like Crisco

'Cuz the DJ grab the record by the fist full

By the crate full and we greatful

When you hear the stuff of records get a tasteful

(Last night the DJ saved my life)

'Cuz of the collection of the records he played

To the direction of the record we swayed

And all night through the session we stayed

'Cuz you know you got the feeling

(All right)

Good God got the feeling

(All right)

Touch the ceiling when I'm feelin'

(All right now)
