Yo, my phone go ring a ling a ling ling
Ring a ling a ling ling, ring a ling a ling ling
Ring a ling a ling ling, ring a ling
(Hello hello hello hello hello)

Then the girls want ding a ling a ling ling
Ding a ling a ling ling, ding a ling a ling ling
Ding a ling a ling ling, ding a ling
Dangle-dangle, jang-a-lang

My phone go ring a ling a ling ling
Ring a ling a ling ling, ring a ling a ling ling
Ring a ling a ling ling, ring a ling
(Hello hello hello hello hello)

'Cause the girls want ding a ling a ling ling,
Ding a ling a ling ling, ding a ling a ling ling,
Ding a ling a ling ling, ding a ling.
Dangle-dangle, jang-a-lang

Ring a ling a ling, who call a king
Some lil' queen need a poon-on sting
Early in da morn for a little fling-fling
Girl I ain't nothing but a thing-thing-thing
But baby don't cling, cling to her man.
If you need the boom boom, stick to the plan.
I'll meet you in the room soon ding a ling again
Give it to your lady I'm your lover-lover man

'Cause get ready for you know what.
Food (no)
Food (no)
Drinks (no)
Sex (yes)
If freak is freaky then freaky Imma get

Love you like you've never been loved like this
'Cause I, oh I, got something for ya... baby

Honey I, oh I, I got something for ya... baby
'Cause if I'm calling at two in the mornin'
It only means one thing... baby.

If my phone goes, ring a ling a ling ling
Ring a ling a ling ling, ring a ling a ling ling
Ring a ling a ling ling, ring a ling
(Hello hello hello hello hello)

Then the girls want ding a ling a ling ling
Ding a ling a ling ling, ding a ling a ling ling
Ding a ling a ling ling, ding a ling
Dangle-dangle, jang-a-lang

Wonder, I wonder, who's calling, who's calling,
This early, this early, this early, I wonder what they
want...
At four in the morning

Ring a ling a ling, now who calling
My phone so late in the mornin'
Pick it up pick it up no warnin'
Imma answer the phone for she on it
Yeah yeah yeah, I want it, late night, tip me
And you could go get right, get right, get right long as
the head right
Me and you and the whip and the red lights
So put it all over me, all over me
Tell me where you wanna go, tell me how you wanna
feel
Maybe we could do it fast
Maybe we can do it slow
Tell me where you wanna go
Tell me where you wanna be
Yeah and I hope that its next to me
You don't wanna have sex with me?
Then why you keep texting me
Alright Imma hit you back later

Honey I, (oh I) oh I, I got something for ya, baby
Cause if I'm calling at two in the mornin' it only means
one thing... baby

If my phone goes, ring a ling a ling ling,
Ring a ling a ling ling, ring a ling a ling ling
Ring a ling a ling ling, ring a ling
(Hello hello hello hello hello)

Then the girls want ding a ling a ling ling
Ding a ling a ling ling, ding a ling a ling ling
Ding a ling a ling ling, ding a ling
Dangle-dangle, jang-a-lang

If my phone goes, ring a ling a ling ling,
Ring a ling a ling ling, ring a ling a ling ling,
Ring a ling a ling ling, ring a ling
(Hello hello hello hello hello)

Then the girls want ding a ling a ling ling,
Ding a ling a ling ling, ding a ling a ling ling,
Ding a ling a ling ling, ding a ling
Dangle-dangle, jang-a-lang

And I, oh I, got something for ya... baby (Hey! Hey!
Hey!)
'Cause if you callin' at two in the morning it only means
one thing...
(One thing, baby - one thing, baby!)
Booty call! B-b-booty call!
B-booty call! B-b-booty call!
B-b-booty call! B-b-booty call!
B-b-b-booty call!

We came here tonight to get started
To go act now
Or g-g-get retarded.

We came here tonight to get started
To go act now
Or g-g-get retarded.

We came here tonight to get started
To go act now
Or g-g-get retarded.
