Too many t-t-too many  
Haters haters haters haters  
Too many haters haters  
Kill all the haters

I had to do it to rock my shit  
Had to get down to rock my shit  
Ya i know the rules  
And how the game exists  
Don't hate coz i had a business

So i had to do it had to rock my shit  
Had to get down had to rock my shit  
Ya i know the rules  
And how the game exists  
Coz gradually i have to go and count my shit

Heat my game is exquiset (when i)  
Flip my slang coz your so flang (i don't)  
Fuck around coz im a hard core miss  
Mama know i got flame  
Coz i always spit shit i do

I round up the air  
And i beat you with a stick  
If you chop off my legs  
Im a still stand hit  
I push you like a killer a killer  
Coz im most definate  
The road i push you to  
Coz my lyrics (hey wassap wassup)

I get my money, i get it real quick(but i)  
I keep my gold coz it's priceless(im a)  
Im an undivided in dividuual(and the)  
Girl you're united an internationalist

I faunicated an elevator  
But you fuck it up (huh)  
I get a little reckless  
So buckle up(huh)  
I see a gang of holes

No time to sew it up  
Don't ask me why i did it  
Coz i had it goin up

So i had to do had to rock my shit  
Had to get down and rock my shit  
Ya i know the rules  
And how the game exists  
Don't hate coz i had a business

So i had to do it had to rock my shit  
Had to get down and rock my shit  
Ya i know the rules  
And how the game exists  
Coz gradually i have to go out and count my shit

Put your eyes on my car (bling)  
Your car is shit your's aint hot (you aint)  
So stay to the right  
I'll emerge to the left  
Like i left you there  
Shut up your on the right  
To left there  
If you don't wanna take it then i'll take your dare  
Take you to a place where i know your scared  
You ain't prepared you just paired with  
Medioka up cess pit up  
With medioka talents  
Its unbalanced  
It don't take rocket science to sell ballads

We're gonna defeat the defined  
Get in a line and form more lines  
You hate us coz we keep shouting stuff  
Four minute stuff for free styling

Had to get down had to rock my shit  
Ya i know the rules and how the games exists
