(Will.i.am)

Keep comin' in with the disco jam
Step in the place and people like damn
Party get started with a cool and the fam
Gotta get naughty and do all I can
What is band that can't really rock
What's an M.C. that's rockin the spot
What is a mic that aint got no cable
What's a DJ without the turntable
Whats a hot girl if she can't really dance
What's electro without wearing tight pants
What is a rhythm if it just don't bump

Baby let me get it and give you what you want
Give you what you need baby how you want it
Time to get nasty, get your ass on it
Time to get on it on it on it
Time to get on it
