I took your picture, with one particular reason  
And it's ta capture your character  
I like to sit and stare at cha  
Ain't nothin' wrong with starin' at cha

Girl, don't get scared at the fact  
That I envision us gettin' married and uh, ha  
I ain't tryin' to rush nuttin' 'cause I ain't rushin'  
It'll take a time like, "What's them things that move  
slow  
You know them"

Damn! I can't think 'cause you on my mind  
And when you on my mind I can't find  
Anything that rhymes with the word rhyme  
I gotta' rhyme rhyme with mixture

And speakin' of mixture, with you I wanna' be mixed up  
I'm a record and your like a record, so let's let the DJ  
mix us  
You're like an elixir, that got me tipsy  
This is just like Ripley's, Believe It Or Not but I love ya

Girl, you really got me goin', outta control  
(Outta control)  
I don't know what I'm doin', let's let it go  
And do what we do best, take off our clothes  
(Take off our clothes)  
We look better undressed, yeah

Let's get sexy, let's get sexy  
Bounce some more, bounce some more  
Fightin' is rightin', fightin' is rightin'  
Let's get sexy, it's so much more excitin'

Let's get sexy, let's get sexy  
Bounce some more, bounce some more  
Fightin' is rightin', fightin' is rightin'  
Let's get sexy, it's so much more excitin'

For you I'm a fanatic, I'm a addict  
Your sexy antics turn me on like automatic

No need to get dramatic, but I gotta' have it  
(Gimme, gimme, gimme, gimme)

Gimme some of them sexual acrobatics  
Kamasutra girl, anything that suits you girl  
Stuff that you ain't used to girl  
Come over here and let me show you just how Willy do  
it

I'm a freak and you knew it  
You're a freak and I knew it  
Baby, let's get to it 'cause

Girl, you really got me goin', outta control  
(Outta control)  
I don't know what I'm doin', let's let it go  
And do what we do best, take off our clothes  
(Take off our clothes)  
We look better undressed, yeah

Let's start the S, S, E, X, X, X, X, X, X  
(Okay, yeah, yes, yes, yes)

You take me to extasy, without takin' extasy  
It's exactly like extasy, when you layin' right next to me  
I'm sexin' you sexin' you, you sexin' me sexin' me  
It feels so damn natural, what we doin' so naturally

I'm likin' you rubbin' me, and you likin' me rubbin' you  
Da passions emaculate, while you lovin' me lovin' you  
I put L O V in you, I love puttin' me in you  
Make love to you, just like Sergio Mendes plays the  
piano
