Yeah, yeah, yeah,  
Yah, yah, yah  
This is how we do it, this is how we go  
This is how we rock, this is how we roll  
This is how we do it, do it, don't do it, don't do it, do  
it

It's goin' down now and not a tad bit later  
All around the world, both sides of the equator  
Terrorize the funk, call me 'Booty Al-Qaeda'  
I verify that I got lots o' hoochies on data  
Gov of California, Black Eyed Peas, the terminators  
We the exterminators, invade you like the Raiders  
Ignore all the haters, inform all the ladies:  
"It's goin' down now and not a tad bit later."

In ten, nine,  
Eight, seven, six, five, four  
Three, two, one  
One (one), one (one),  
One (one), one (one), one  
You ready? You ready?  
(huh)

Get ready for the showdown,  
Get ready for the showdown,  
Yo, it's about to go down  
Yo, it's about to go, go down

Ap is in the building and I'm here to motivate you  
Show you how we do it, do it  
We still demonstrators  
The funk for ya trunk  
Take ya high like elevators  
Give you what you want, courtesy Mr. Pineda  
We breakin' down the barriers  
Call us the penetrators  
Electrify your area  
Bzzz-zap, yeah-yuh  
Go ahead and hate us  
It only makes us greater  
It's goin' down now and not a tad bit later

In ten, nine,  
Eight, seven, six, five, four  
Three, two, one  
One (one), one (one),  
One (one), one (one), one

You ready? You ready?  
(huh)

Get ready for the showdown,  
Get ready for the showdown,  
Yo, it's about to go down  
Yo, it's about to go, go down

It's goin' down it's goin' down, uh-huh, uh-huh  
It's goin' down it's goin' down, uh-huh, uh-huh  
It's goin' down it's goin' down, uh-huh, uh-huh  
It's goin' yeah it's comin' yeah, uh-huh, uh-huh

Yeah  
We the show stoppers, show rockers  
Show y'all how we rock shit, gotcha  
All open, no jokin'  
Wanna rock it like this keep hopin'  
Obama, no drama  
Keep hittin' them skins like karma  
Big drummin', we comin'  
We comin', we come

In ten, nine,  
Eight, seven, six, five, four  
Three, two, one  
One (one), one (one),  
One (one), one (one), one  
You ready? You ready?  
(huh, huh, huh)

Get ready for the showdown,  
Get ready for the showdown,  
Yo, it's about to go down  
Yo, it's about to go, go down

Yeah, yeah, yeah,  
Yah, yah, yah  
This is how we do it, this is how we go  
This is how we rock, this is how we roll  
This is how we do it, do it, don't do it, don't do it, do  
it

The most powerful force on the planet

Is the energy of the youth  
One can stimulate the economy  
But when this powerful youth becomes activated  
and stimulated  
And collectively decides not to buy things  
What will happen to the economy?
