Yeah, that's funky
Yeah, that's funky
Yeah, that's funky

If it smells like funk it must be us
The funk, funk full, foul stinky, it's stanky stuff
If it smells like funk it must be us
The funk, funk full, foul stinky, it's stanky stuff

If it smells like funk it must be us
The funk, funk full, foul stinky, it's stanky stuff
If it smells like funk it must be us
'Cause nobody's funky as us, 'cause we keep it stinky

We keep it stinky
We keep it stinky
We keep it stinky
Stinky, stinky, stinky

The funk phenomenon
We funk you on an' on
There's no need to hold your nose
'Cause this pong sing like a rose

Big booty funk, toe jam funk, underarm funk
Like you headlockin' a skunk'
Reekin' like diseased athlete's feet
The stench didn't come, till after this beat

Smellin' like droors, no weezin', no pause
Put your hand up on the speakers, get smelly ass paws
You know we was comin', before we entered the door
'Cause you could smell the rhyme
When we was walking down the hall

We bring the funk worse then a wet dog
Stinkin' like fat ladies shittin' out Logs
We drop enough shit to keep them toilets clogged
Keep the people jumpin' like them Bullfrogs

The first one who smelt it ain't the one who dealt it
Black Eyed Peas keep the scent blind like Delta

Funky like onions you fryin', girl you ain't lyin'

If it smells like funk it must be us
The funk, funk full, foul stinky, it's stanky stuff
If it smells like funk it must be us
The funk, funk full, foul stinky, it's stanky stuff

If it smells like funk it must be us
The funk, funk full, foul stinky, it's stanky stuff
If it smells like funk it must be us
'Cause nobody's funky as us, 'cause we keep it stinky

We keep it stinky
We keep it stinky
We keep it stinky
Stinky, stinky, stinky

Yo, you funk'in' with the funk family
The non fabricated factual faculty'
We formulatin' up in a factory
Focusin' on the energid of fluid flow free

We flawless, everything is for free
We flourish and we flaunt our flavor freshly
Can you believe we flip them frequency's
And freak MC's they leave all frantically

But our intent is ought to be friendly but
They fightin' when we start the freestylin' frenzy
I funk up ya' flat till your girlfriend beef
Fillin' all anatomy, bringin' me flattery

She'll be diggin' these rhymes that ease beats
Like cellulite lyrics all flabby
We bring the funk to your festivities
If you think something stank then it must be the Peas

If it smells like funk it must be us
The funk, funk full, foul stinky, it's stanky stuff
If it smells like funk it must be us
The funk, funk full, foul stinky, it's stanky stuff

If it smells like funk it must be us
The funk, funk full, foul stinky, it's stanky stuff
If it smells like funk it must be us
'Cause nobody's funky as us, 'cause we keep it stinky

Cellulite overweight stankin' MC's
Stench smells so strong it's insanitary
'Cause you can sense me a mile away so Chanky
With the jungle funk sound from Serengeti

Meaty, Fat, Nasty like Miss Fat booty's tights
Gettin' dirty like mudfights and dirtbikes
Turning these droors black, they used to be white
And we shittin' on these tracks that you gonna' need to wipe

The odor's so contagious that it shows up in your dream
Man, you could pick me out like food in between
Your two front teeth 'cause you be lackin' the streets
We got beefy ass beats that we bumpin' in the streets

We so nice n' sweet like steak box n' feet
Sour underarm funk, you ain't washed in a week
And, man, we be reekin' every day or weekend
We could all bounce to the funk and the season

Bounce, bounce, bounce
Yeah, that's funky'
Yeah, that's funky'

If you smellin' somethin' funky
Then you know it got to be nobody
Other than Apl, will n' taboo
'Cause if you know that if it smells like funk then it must be us
If you smellin' fat funk then it must be us

If you smellin' something funky
Then you know it got to be nobody
Other than Apl, will n' taboo
'Cause you know that if it smells like funk then it must be us
If you smellin' elephants then it must be us

If you smellin' somethin' funky
Then you know it got to be nobody
Other than Apl, will n' taboo
'Cause you know that if it smells like funk then it must be us
If you smellin' elephant shit, it must be us
Us, us, us, us, us, us, us, us, us, us, us, us, us, us, us, us
