Care to show shorty just rockin' it more  
I started out just rocking their floors  
But now I'm oversea's rocking european tours

Mostly I'm dedicated to the city of L.A.  
Open up the circle and rockin' in the bay

Take it down to London and rock the same way  
down under to Perth and back to Sydney

We rock the earth,  
'cause we don't play  
we do it like this  
the Black Eyed Pea way (Pea way)  
Do as we do, do what we say say, (say say)  
Get on the floor and shake your thang thang (thang

I got somthin' for that ass (I got somthin' for that ass)  
You can feel it in the club (you can feel it in the club)  
I just wanna see you dance (I just wanna see you  
dance)  
Now's the time for y'all to move (so come on keep  
movin')

I got somthin' for that ass (I got somthin' for that ass)  
You can feel it in the club (You can feel it in the club)
