Everyday and all night
I dream of holdin' you tight
Crazy as I may seem
You're all that I ever need, babe

Everyday and all night
I dream of holdin' you tight
Crazy as I may seem
You're all that I ever need, babe

I gotta make you mine, you're someone I wanna own
I wanna be the one you call when you feelin' alone
I'm gonna make it easy for you to understand
You can be the infamous woman
That partner in hand could be me, pleasurable
company

Gettin' you like enter, when I feel on your body
It done hit me like "Jesus, please"
You movin' authentic 'cause energy sent to me knees
that
Make 'em buckle, baby speakin' a buckle
Why don't you undo yours and make our body hussle

Isn't it love when two body collide
Lettin' all sparks that resembles fourth of July skies
And you know how much I care about you right, oh yeah
When you're on my mind, I'ma be alright, oh yeah
I wanna love you down in so many ways, oh yeah
When I'm feelin' blue, I think of you and say, oh yeah

And if you knew how deep I feel about you girl, then
you will
Not think twice when I ask to hook up and go chill
It could be in my place or your place
And we could let our body conversate, 'cause, oh yeah

Everyday and all night
I dream of holdin' you tight
Crazy as I may seem
You're all that I ever need, babe

Everyday and all night
I dream of holdin' you tight
Crazy as I may seem
You're all that I ever need, babe

This ain't no attempt to get all up in your jeans
Even though I wanna make you scream to extreme
Our mouths give you chocolate treats like halloween
Act out scenes where you and I wrote, my scene 'cause
it's

Somethin' in the way you make me feel
You got me feelin' like I'm supposed to feel
Just you and I, up close and personal
I'll be gentle while you lettin' your emotional feel

Chick a boom boom and you got it good like that
When you and I interact you'll be whipped on contact
'Cause once you will, you never go back
Baby, once you go will, you never go back

I said how much I care about you right, oh yeah
When you on my mind, I'ma be alright, oh yeah
I wanna love you down in so many ways, oh yeah
When I'm feelin' blue, I think of you and say, oh yeah

And since you knew how deep I feel about you girl, then
you will
Not think twice when I ask to hook up and go chill
It could be in my place or your place
And we could let our body conversate, 'cause, oh yeah

Everyday and all night
I dream of holdin' you tight
Crazy as I may seem
You're all that I ever need, babe

Everyday and all night
I dream of holdin' you tight
Crazy as I may seem
You're all that I ever need, babe

Somethin' in the way you make me feel
You got me feelin' like I'm supposed to feel, oh yeah
You got me feelin' like I'm supposed to feel, oh yeah
You got me feelin' like I'm supposed to feel, tell me

babe

Somethin' in the way you make me feel
You got me feelin' like I'm supposed to feel, oh yeah
You got me feelin' like I'm supposed to feel, oh yeah
You got me feelin' like I'm supposed to feel, tell me
babe

Baby, alright
You're all I need, babe, slow it down
You're all I need, babe, slow it down
You're all I need, babe, I like that
You're all I need, babe, I like that

You got me feelin like I'm supposed to feel, yeah
You're all I need, babe
You're all I need, babe
You're all I need, babe

Yeah, yeah, yeah, it won't stop, 'cause
And it won't stop, girl
Yeah, yeah, yeah
You're all I need babe
You're all I need babe
You're all I need babe

You got me feelin' like I'm supposed to feel
The way I'm supposed to feel
The way I'm supposed to feel
