Chorus (2x):

Everyday and all night
I dream of holding you tight
Crazy as I may seem
You're all that I ever need, babe

I gotta make you mine, you're someone I wanna own
I wanna be the one you call when you feelin' alone
I'm gonna make it easy for you to understand
You can be the infamous woman
That partner in hand could be me, pleasurable

It done hit me like "Jesus, please"
You movin' authentic cause energy sent to me knees

Make em buckle (baby) speakin' a buckle
Why don't you undo yours, and make our body hustle
Isn't it love when two bodies collide
Lettin' all sparks that resembles fourth of July skies
And you know how much I care about you right (oh

When you're on my mind, I'ma be alright (oh yeah)
I wanna love you down in so many ways (oh yeah)
When I'm feeling blue, I think of you and say (oh yeah)
And if you knew how deep I feel about you girl, then
you will
Not think twice when I ask to hook up and go chill
It could be in my place (on my place)
Or your place (or your place)
And we could let our bodies converse, cause

You got me feelin like Im supposed to feel
Just you and i, upclose and personal
Ill be gentle while you lettin your emotional feel
