yo what's up
what's goin down
let's start it up
its not too late yet
its not too late yet
to start it up (on and up up for y'all)

yo what's up
what's goin down
let's start it up
its not too late yet (its not too late yet)
its not too late yet (its not too late yet)
to start it up (on and up for y'all)

buckle up here comes the shake down
We gon' turn it up, listen to the bass pound
You got to react, high to the high hat
Bounce to the boom bap, we gon' make your toe tap
When we came through y'all was all mellow, mo
We motivated a mosh pit like heavy metal
rock crowds like the punk rock and soul and
bring funk to monks and aunts and uncles (what you
gettin good?)
we the real motherfunkers
Funk what you thunk we the ones that a funk up
Cadillac trunk filled with B-E-P bumpers
Now comprehend like ? thumpers

yo whats up
whats goin down
lets start it up
its not too late yet
its not too late yet
to start it up (on and up for y'all)

yo whats up
whats goin down
lets start it up (lets start it up)
its not too late yet
its not too late yet
to start it up (on and up for y'all)

rock hard hard rock
go watch your home block
bring forth my fleet the funk is non stop
dance on your dance floor, I back with weekends
Tied a place in your face with shit thats leaving
yeah we be the main source and serving up the main
course
dont stop just let it rock like some santa claus
bang bang boogie boogie up jump the jump start
Ignite to take flight we rocked ya depart (where)
to the third part (wa?)
its a trilogy (wa?)
no tap tap fergie equal dd
what you didnt know
Ay yo we bring the bumps
Bumps for your trunk and we making the funk-funk

yo whats up
whats goin down
lets start it up
its not too late yet
its not too late yet
to start it up (on and up for y'all)

yo whats up
whats goin down
lets start it up
its not too late yet
its not too late yet
to start it up (on and up for y-y-y-y'all)

Yo we up again, listen up
It's the Peas with the sound
We's about the break out
Shake the whole Earth now
Bass bounce up and down whenever we get..
Set it off in your town
Together we all pound
Whoever you are we gonna make you do it
Whatever you doin' just stop
And dance to this
This is the diggy-diggy-diggy-diggy rock-rock
This is the diggy-diggy-diggy-diggy crew-crew
