Tell me exactly what am I supposed to do  
Now that I have allowed you to beat me  
Do you think that we could play another game  
Maybe I could win this time

I kind of like the misery you put me through  
Darlin' you can trust me completely  
If you even try to look the other way  
I think that I could kill this time

It doesn't really seem I'm getting through to you  
Though I see you weeping so sweetly  
I think that you might have to take another taste  
A little bit of hell this time

And Lie to me  
You Lied to me

Is she not right?  
Is she insane?  
Will she now  
Run for her life in the battle that ends this day

Is she not right?  
Is she insane?  
Will she now  
Run for her life now that she lied to me

You always wanted people to remember you  
To leave your little mark on society  
Don't you know your wish is comin true today  
Another victim dies tonight

And Lie to me  
You Lied to me

Is she not right?  
Is she insane?  
Will she now  
Run for her life in the battle that ends this day

Is she not right?  
Is she insane?  
Will she now  
Run for her life now that she lied to me

Is she really telling lies again  
Doesn't she realize she's in danger

Is she not right?  
Is she insane?  
Will she now  
Run for her life in the battle that ends this day

Is she not right?  
Is she insane?  
Will she now  
Run for her life now that she lied to me

The little bitch she went and she told a lie  
And now she will never tell another, a lie  
The little bitch she went and she told a lie  
NEVER FUCKING LIE TO ME!
