

Black Flag "What I See"

Visit "[What I See](#)" on MotoLyrics.com

This feeling haunts me
Behind these eyes
The shell seems so empty
Does anything live inside?

I want to live
I wish I was dead

I don't even want to think I'm stuck here
And I know it
I don't want to see
Make me close my eyes

I want to live I wish I was dead

I look in your eyes
And see it's always this way
Live the lie and take a dive
Just to make it die

I've just got to close my eyes
I've got to close my eyes
I've got to close my eyes
