Love me  
So I can feel the pain  
Of not having made a mistake  
Love me  
So I can crawl into your oven  
And begin to bake  
Love me  
(? ) burns  
I'm alive  
Love me  
Until I hate

White hot  
White hot  
White hot

Love me  
(? ) me  
My life collision course  
Love me  
Consume my life force  
Love me  
So I don't enter that cave  
(? ) shelter finding I'm cold  
Love me

So I can tear you apart

White hot  
White hot  
White hot

Love me  
As I (? )  
Pleasure makes me go  
Love me  
So I can feel my heart (? )  
(? ) of  
Love me  
So I can fall apart  
The ending I already know  
Love me

(? ) vicious accidents

(? ) white
