Cheers mate

Why you say yes  
When you know you mean no  
Then you say you will, but you won't  
(Lies, lies, lies, lies, lies)  
And all you gonna do, but you don't  
(You never do)  
You say that you know, but you don't know  
I can smell your funk through the window  
(Jesus)  
And I know that you're busy, and it sucks?  
And I know you'll swap a kidney for a stone  
Well, I saw you swap a kidney for a phone

Well, nanananaaa nana na  
Nanananaaa nana na nana na  
Why you say yes  
When you know you mean no  
Why you say yes  
When you know you that you know

Why do you say yeah  
When you you mean no  
I can even smell the smell through the window  
(For the funk the funk of it)  
You say you will, but you won't  
And if you're gonna get out, then don't

Misleadin' deceivin'  
Goin' to the top  
Your misdemeanors just won't stop  
Blast off your socks  
You sell your kidney for rock

Nanananaaa nana na  
Nanananaaa nana na nana na  
Why you say yes  
When you know you mean no  
Why you say yes when you mean no  
Why you know you that you know

Snake eyes, foretold  
Step to the gate, cause you know you're tellin' lies  
Snake eyes, foretold  
Step to the gate, cause you know you're tellin' lies  
Snake eyes, foretold  
Step to the gate, cause you know you're tellin' lies

Why you say yes  
Why you know you mean no  
Why you say yes when you mean no  
Why you know you that you know

Why you say yes  
Why you know you mean no  
Why you say yes when you mean no  
Why you know you, yes, you know
