All I've seen can't compare to this

I've been good, I've been bad

And I'm about to get us something that we've never
ever had

And I know, this ones for sure

You know I hope that we won't ever stop

falling in

You know I hope that this won't ever drop

falling in

You know I home that we don't ever stop

That's why I say

I've got a three day weekend at Rancho Bebop

I know what to say, to the sky today

I've been good, I've been bad

And I'm about to get something

that we've never ever had

And I know, this ones for sure

You know I hope that we won't ever stop

falling in

You know I hope that this won't ever drop

falling in

You know I hope that we don't ever stop

That's why I say

I've got a three day weekend at Rancho Bebop

On the street I heard somebody say

i have no use for the sky today

It seems like we've been here before

The ideas running out the door

I know we're never gonna' give it away
