Don't go in there. I'm not sure about there.  
Don't go in there..  
I'm not sure about this one, but I think we all puked.  
Done is beautiful, I think I snaked you  
Two camels in a cloud..  
I'm not sure about this one, I think we all puked, yeah.  
But that's no reason, not to be happy,  
We've got a million things to smile for everyday.  
We can change things, if we want to,  
And I think it's time we did starting today.  
What's this come to...? Who cares for you...?  
What makes sense today...?  
I am sure about this one. I know we all puked
