3, 4

All that you want, all that you need
Don't bother asking, just come to me
I know I'll see you, I'll see you again
Just keep on talking, listen when you can

Love reign down on me
Love reign down on me
Love reign down on me
Love reign down on me
Down on me

It's something you find, yeah, you'll never lose
A feeling so fine now, just thinking of you
Take your time, son, take it slow
Sooner or later, you'll get to where you gotta go

Love reign down on me
Love reign down on me
Love reign down on me
Love reign down on me
Down on me

Looking back on the times we shared
Yeah, you and me
You held me up, you made me high
You're the way life's meant to be

Love reign down on me
Love reign down on me
Love reign down on me
Love reign down on me
