CHORUS:

We're having a gang bang
We're having a ball
We're having a gang bang
Against the wall
We'd like you to join us
It's part of the fun!
Oh a gang bang is the thing to do
But it takes more than one

A gang bang is a game we play
It's something of joke
It's lots of hokey-pokey
Less hokes and lots of pokes
It's for the girls and for the boys
It livens up the night
It's better when you're crowded
And when you're packed in tight

CHORUS

And now the action's taking place
I'm ready for my fill
It's up to expectations
And it's going further still
But don't be greedy, share it out
It's time to try some more
So find a friend, play the game
That's what a gang bang's for!

CHORUS (x4)

A gang bang is the thing to do
We'd like to give you one
