I am the mimic man
I come from down your way
And I can do (Who can you do?)

Let's do Tommy Cooper
Just like, just like, just like that, not like that, just like
that
Just like, just like, just like that, not like that, like that

I am the mimic man
I come from down your way
And I can do (Who can you do?)

It's Frank Spencer
Oh Betty, oh that's nice, oh that's nice, oh that's nice
Oh Betty, oh that's nice, Betty, oh that's nice

Just like, just like, just like that, not like that, just like

Just like, just like, just like that, not like that, like that

I am the mimic man
I come from down your way
And I can do (Who can you do?)

I come from down your way
And I can do (Who can you do?)
